Is widely known as one of the most effectual remedies ever discovered for cleansing the sys-tem and purifying the blood. It has stood the test of

markable cures. So mild as to be safe and beneficial to children, and yet so searching markable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphillitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote and disappear. Hence its wonderful or scrotuns, and an erupitive disorders of the skin, Tumors, Blotches, Bolls, Pimples, Pustules, Sorces, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Propsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhœa, when they are manifestations of the scrofulous poisons.

It is an excellent restore of health and strength in the Spring By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel beter, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Ayer's Cathartic Pills

serious sickness and suffering is preventuse; and every family should have them on hand for their protection and relief, when required.
Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus inciplent disease is changed into health, the value of which change, when reckomed on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable.
Although searching, they are mild, and operato without disturbance to the constitution, or dict, or occupation.

without disturbance to the constitution, or use, occupation.
Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:—
For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.
For Liver Complaint and its various symptoms, Billious Headache, Sick Headache, Jaundice or Green Sickness, Billious Colle and Billious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhoen, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Bide, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and removating effect on the digestive apparatus.

When a thing is coun terteited, is ita proof ofits excellence and popularity. The Peabody Medical Institute is a case in point. Founded in good faith many years ago, and the only establishment of the kind in the country, its success and ever-increasing popularity finally caused the name (Medical Institute) to be pirated and adopted by a lot of infamous quacks empiries and pretenders, who have been en deavoring to cheat the public by sailing under a stolen flag. The founder of the Peabo.y Medical Institute can in no way be held responsible for this misnse of the name of a reputable and well-known curative establishment and legitimate institution, which has been from the start specially devoted to the treatment of nervous derangements and affections, from whatever cause proceeding During its existence there have been issue from its several medical publications; quite recently a work on Diseases of the Nervous System, which have had a world-wide circulation and popularity. These publications sufficiently attest the high character of the institution under whose partonage these medical works have been published. Meantime it is gratifying to know that several of the impudent chariatans, who have stolen its name to cover their nefarious practices, are getting their deserts in the penal institutions of the Commonwealth.—Boston Heyald.
